

Shelsley Walsh Hill Climb MEMBERS' DAY 21st September 2018

The Members' Day is a great opportunity to experience the hill in a relaxed, controlled and fun atmosphere. We welcome you to drive your own road-legal car, up the famous Shelsley Walsh track, during a day full of non-competitive runs. We allow any road-legal cars to participate, from specialist kit cars and classic sports cars to everyday standard saloons.

Members are encouraged to invite guests to part-take in the event. We also allow passengers to join in, at an additional cost of £5. The passengers can car hop (with permission from the driver) allowing them to experience the hill in a range of cars.

The restaurant will be open from 8am-5pm with breakfast, lunch and afternoon tea tickets available to purchase in advance. There will also be other refreshments available to purchase on the day. Alternatively, feel free to set up your 'camp' in your paddock shed and enjoy a picnic.

After the day's driving, there will be an informal car show in the paddock from 5pm where members can bring along their cars to show for free. All varieties of cars are welcome and they are not expected to be of concours standard! There will be various prizes awarded. The Courtyard Bar will be open from 4pm until 5pm allowing you to socialise with old and new friends that you made throughout the day or year!

Testimonials from 2017:

"I just wanted to say a very big thank you to the staff and marshals for such a wonderfully brilliant Members' Day we had such fun and mixed with members who we haven't met before."

"Many thanks to the marshals and all the back up team involved at The Members' Day on Friday. Please convey my thanks to all involved. It was a brilliant well organised friendly day again, blessed with good weather. Good to meet up with familiar faces and make new friends. Looking forward to the next one already and the new 2018 season."

"I would like to thank those responsible for the organisation of the Members day in September. After many years spectating, it was a thrill to experience the hill from the track. It was a great experience and a fantastic way to end the season."

"My son and I would like to thank you for allowing us to attend, as your guest, the Members' Day event yesterday. Having been a regular attendee at the Classic Nostalgia Meeting, I have become totally captivated by Shelsley Walsh. Not only is the venue wonderfully picturesque, with an interesting, 'testing' course, but the organisation is first rate."
